Dear Mr. President:

I am writing to extend my support of David Teitelbaum as a member of the Advisory Council on Historic Preservation. Mr. Teitelbaum has contributed significantly to New York City both as a developer and as the founder of Cathedral Stoneworks. His projects in both ventures have been highly successful, preserving our city's rich heritage while contributing actively to the built environment. Mr. Teitelbaum is highly respected in New York City's preservation community and further afield for his workable and practical approach to preservation. I feel that he would be an excellent, experienced, and balanced voice on the Advisory Council, and I strongly support his appointment.

Sincerely,

David N. Dinkins
MAYOR
